

Manchester – Allergen File

Please ensure you inform a team member of your allergen needs ahead of ordering.

The Allergy data has been collected and derived from the specifications obtained from our suppliers. This information is specific to the **MAJOR 14 allergens**.

Known allergens have been marked with a Y but where we have manufactures notifications of products that 'may contain' due to manufacturing have been marked with a M/C. - This data is provided to allow you to make an informed choice.

We advise that you choose an item entirely free a known allergen. Where the allergen is marked, the dish 'may' be modified to help remove an allergen or ingredient, but this is not always the case. If you need help choosing a dish please speak to one of our managers.

** Please be advised that our kitchen uses and prepares foods containing the 14 common allergens. Cross-contamination may occur, so we recommend that customers with severe allergies speak with a manager, before ordering, to ensure the safety of their meal*
